Any default payments on the Acknowledgment of Debt Agreement will result in the immediate removal of the child or children from school. (Only in exceptional circumstances, and at the discretion of the Board of Trustees and Finance Mandate Group, will a pupil be allowed to enter a new term if any portion of the fees of the previous month/term or year is unpaid). The account will be handed over to attorneys of which Parents/Guardians will be liable to settle any incurred cost.

Intention to Withdrawal: A full term's notice, in writing, before the withdrawal of the child from school, is required. Alternatively, three months' fees in lieu of notice will be payable. This is applicable regardless of the reasons for such withdrawal.

Parent Participation: It is important for parents and teachers to maintain regular contact. General information is sent out electronically through our newsletter, The Rainbow. Parents would be expected to regularly attend Class meetings, Parent talks, the Annual General Meeting and Festivals, as well as Enrichment programs in Waldorf Education, which parents are asked to attend if they have not previously done so, in order that our methods and expectations can be explained and supported. As we are an independent school, all families are expected to play an active part in fundraising events. Parents are held responsible for supporting our school's ethos, expectations and requirements.
